Re: Rule Changes Regarding Bills/Late Payment Charge

On March 16, 2020, Cascadia Water, LLC (Cascadia or Company), filed proposed tariff changes with a requested effective date of March 27, 2020, with less than statutory notice (LSN) and included the required LSN information in that filing. Because of the special open meeting called for March 17, 2020, Cascadia respectfully requests an effective date for the tariff filing in this docket to be March 17, 2020 instead of March 27, 2020.

All other information, including the proposed tariff sheets, in the March 13, 2020 filing remains the same.

Conclusion

Cascadia respectfully requests that the Commission approve this tariff change to become effective on March 17, 2020, with less than statutory notice

Copies of this letter and the attached filing are available in the Company's main office in Freeland, Washington, and on the website at www.nwnaturalwater.com.

As requested by WAC 480-80-103(4)(a), I certify that I have authority to issue tariff revisions on behalf of Cascadia.

Please address correspondence on this matter to me with copies to the following:
