**Re: Rule 11 – Bills/Late Payment Charge**

On March 16, 2020, Suncadia Water Company, LLC (Suncadia or Company), filed proposed tariff changes with a requested effective date of March 27, 2020, with less than statutory notice (LSN) and included the required LSN information in that filing. Because of the special open meeting called for March 17, 2020, Suncadia respectfully requests an effective date for the tariff filing in this docket to be March 17, 2020 instead of March 27, 2020.

All other information, including the proposed tariff sheets, in the March 16, 2020 filing remains the same.

**Conclusion**

Suncadia respectfully requests that the Commission approve this tariff change to become effective on March 17, 2020, with less than statutory notice

Copies of this letter and the attached filing are available in the Company's main office in Cle Elum, Washington, and on the website at [www.nwnaturalwater.com](http://www.nwnaturalwater.com).

As requested by WAC 480-80-103(4)(a), I certify that I have authority to issue tariff revisions on behalf of Suncadia.
